

Accessibility Policy – Localito Marketplace

Accessibility Statement

Localito Marketplace is committed to making our website accessible to everyone, including people with disabilities.

Our Goal

We aim to meet WCAG 2.2 Level AA standards throughout development and after launch.

Current Status (pre-launch site)

This temporary landing page has been designed with the following accessibility features:

- Clear colour contrast (minimum 4.5:1 for text)
- All images include descriptive alt text
- Full keyboard navigation (tab through all links and form fields)
- Resizable text up to 200% without loss of content or function
- Logical heading structure and reading order
- Form labels properly associated with inputs
- No content flashes more than three times per second

Ongoing Commitment

When the full marketplace launches in Q1 2026, we will:

- Conduct regular accessibility audits
- Test with screen readers (NVDA, VoiceOver)
- Provide multiple ways to contact us (email, phone, and future live chat)
- Ensure all videos include captions and transcripts

Feedback Welcome

If you experience any difficulty using this website, please contact us:

Email: hello@localito.com

We will respond within 3 working days and fix any confirmed issues as quickly as possible.
